

Dear Potential OTFC Sponsor,

The Oklahoma Tribal Finance Consortium - OTFC (www.OKtribalfinance.com) is excited to announce that we are celebrating our **10-year anniversary** in 2026! We hope to join with you in our conference partnership opportunities for 2026. Our organization was created to *"advance tribal economics and strengthen tribal finance within the state of Oklahoma."* Our meetings bring together OK tribal government elected officials, finance professionals, community leaders and local businesses. Our conference will highlight areas in **tribal government, tribal finance, tribal healthcare finance, tribal economic development and tribal technology**. This is an opportunity for your company to develop relationships with decision makers from all 38 federally recognized tribal nations that reside in Oklahoma and their enterprises (government, healthcare, gaming regulators and businesses focused on economic development). OTFC meetings are designed to bring together sponsors and tribal leader decision makers to collaborate on challenges affecting Indian Country and to promote tribal economic growth for tribal nations within Oklahoma and their enterprises throughout the country. Each of our conferences has continued to grow with attendance ranging between 200 - 300.
